**Presentation to Council**

CMHC Housing Accelerator Fund – Mr. Gopen has been working to understand and provide necessary presentations to all Councils serviced by the SNBSC. It is challenging for Local Government units that do not have water and sewer utilities, like Fundy Shores. However, there are other options available and in the coming weeks, he will be working on identifying areas that funding applications may be accepted. He requested that Council consider areas related to Rural Planning and construction that may be appropriate for Fundy Shores.

The application is expected to be available mid-summer, and will have a small period of time for applications to be considered.

CAO Sullivan Brown confirmed the date the basketball court is requested by the ATV Club. They are requesting the date of the Route 790 yards sale and insurance has been confirmed as well. Council requested this item be placed on the June Agenda for final consideration.

**Borrowing Tables**

Staff have been asked by members of the public to borrow tables. Due to the size of the local government operation Council asked that the tables be considered office supplies and not loaned out to the public.
